

# Intensive Crisis Stabilization Services (ICSS) Provider Liaison Meetings

The purpose of the Intensive Crisis Stabilization Services (ICSS) meetings is to create a conversation space with Medicaid crisis providers to provide direction and guidance on key Medicaid-related activities, which may include:

- Meeting requirements.
- Certification requirements.
- Policy requirements.
- Data reporting.
- Coding changes.
- Other Medicaid department components as they arise.

*The intended audience for this sixty-minute virtual meeting includes all Community Mental Health Services Program (CMHSP) administrative and supervisory staff supporting Intensive Crisis Stabilization Services. Participation by all CMHSP program leads is strongly encouraged.*

**If you have not yet created a CBC account, please take a few minutes to do so! Your CBC account is your gateway to your training records and additional training opportunities.**

1. Visit [micbc.org/login](https://micbc.org/login) to create a MiLogin account or log in to an existing account.
2. For detailed registration or account creation instructions use these resources:
